Who We Are

You may have seen sailboats chasing each other as they sail around buoys in the Wilmington River, and you may have wondered – who are these sailors? They are members of The Landings Sailing Club!

When not racing, members often take boats out for recreational and educational sailing.

The Landings Sailing Club operates a fleet of sailboats owned by The Landings Association. Members of the sailing club pay monthly dues to maintain this fleet of boats. Your dues entitle you and your family to unlimited usage of the boats, based on skill and availability.

Our Fleet

The Landings Sailing Club maintains a fleet of Rhodes 19 and J/24 sailboats. The Rhodes 19s are 19-foot sailboats with a crew of two to three sailors. The J/24s are 24-foot sailboats with a crew of three to five sailors.

Prospective members are invited to sail with us a few times to see if they would like to become members.

For introductory sails, we would pair you up with experienced sailors on the boats.

New to sailing? Take one of our Basic Sailing classes.

Best of all, this opportunity is available to all Landings residents.

Cruise or Race or ?

Why sail? It's fun, quiet, you can enjoy the wildlife, and it's cheaper than any boating option (other than kayaks) and you don't have to paddle!

Why race? It's more exciting sailing. Sailboat racing allows sailors to enjoy both competition and camaraderie. And it happens every weekend, all year long!

Throughout the year, we also hold special events, such as:

- Moonlight Sails, once a month when there is a full moon
- Friday Beer Can Sails, followed by food and drinks at the Dockside Bar

The Psychological Benefits of Sailing

Mindfulness: Sailing puts you in the present moment.

BioPhilia: Sailing puts you in touch with nature.

Learning: Sailing provides the opportunity for lifelong learning, a proven component of well-being.

Socialization: Sailing puts you in collaborative contact with other people.

Mastery: Sailing gives you the opportunity to improve and go beyond your personal edge.

It's hard to find a better way to replenish your emotional batteries, and share the pleasure with the ones you love.
